

Jákób

már

idős

volt, amikor

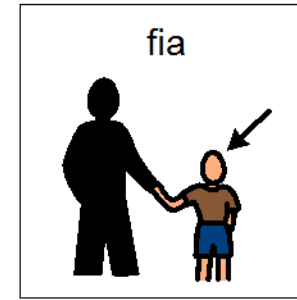

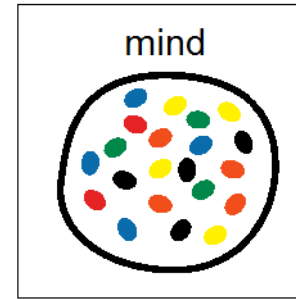

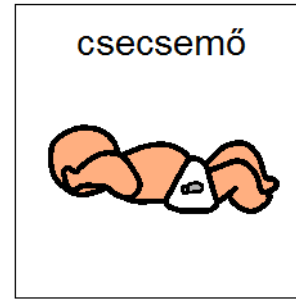

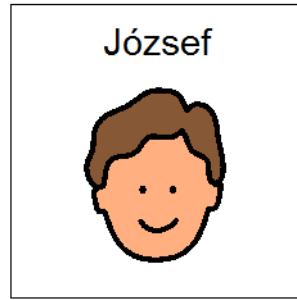

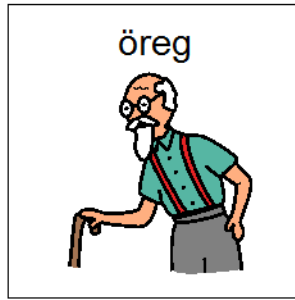

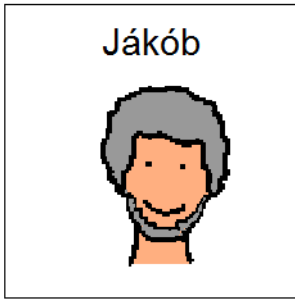

József

született

és

minden

fiánál

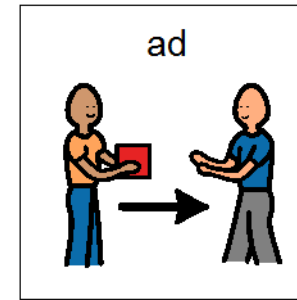

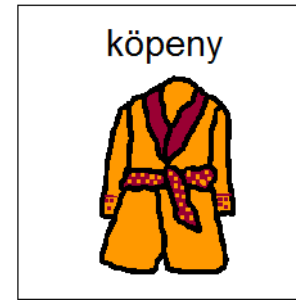

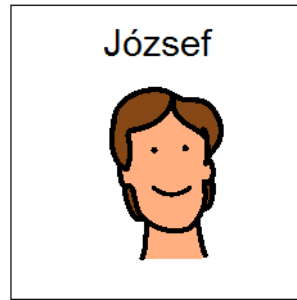

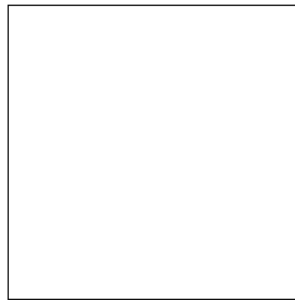

jobban megszerette.

Amikor nagyobb lett, még egy tarka

ruhával

is megajándékozta.

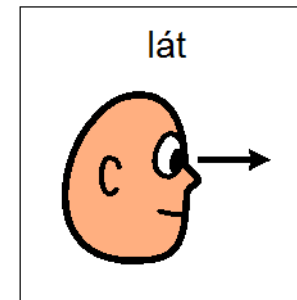

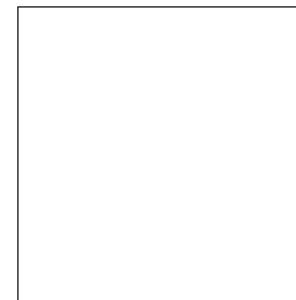

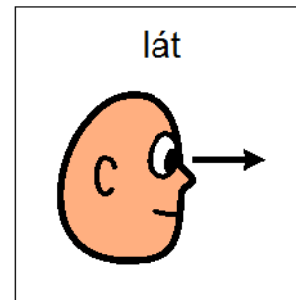

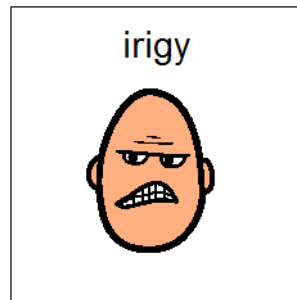

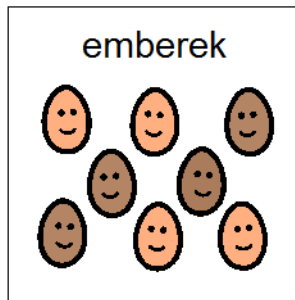

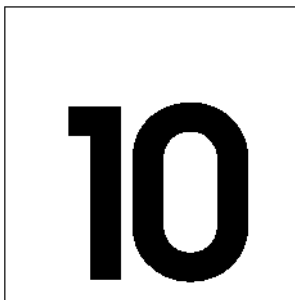

Tíz

testvére

irigykedve

nézte.

" Nézzétek

mit kaptam

Apánktól !"

dicsekedett

nevetve

József.
